COVID-19 PROTOCOLS IN NASHVILLE

General COVID-19 Protocols

Some venues, businesses, and establishments have specific policies that may require proof of vaccination or a recent COVID-19 test for entry. Please check ahead directly with the specific venue, business or establishment that you plan to visit for current and specific COVID-19 policies and procedures. Here is a link to a site with more detailed information: visitmusiccity.com/covid-19-information/covid-19-business-event-updates. All COVID-19 information is subject to change.

COVID-19 Testing – Grand Forks and Nashville

To help our fans comply with the COVID-19 entry protocols at Bridgestone Arena, two event-specific COVID-19 testing events have been created for fans attending the 2021 U.S. Hockey Hall of Fame Game.

Testing events have been created for both Grand Forks (October 27 and 28) and Nashville (October 29 and 30). Those who are fully vaccinated do not need to show proof of a negative test, but will need to provide proof of vaccination.

Here is the link that can be used to access specific and detailed testing information for both Grand Forks and Nashville: theralph.com/nashville/event-news

Please note that there is a \$50 charge per test for those choosing to test in Nashville. Testing in Nashville will be conducted by Recover Health, a Nashville-based testing agency secured specifically for this event.

Testing in Grand Forks will be conducted by the Grand Forks Public Health Department in collaboration with UND.

If available, fans outside Grand Forks are encouraged to test in their own home communities beginning on Wednesday, October 27.

Community Testing in Nashville, TN

Fans who seek alternative testing options in Nashville from Wednesday through Saturday the week leading up to the game may find the following website helpful as they consider their options: asafenashville.org/test-mask-resources/.

CLEAR Health Pass at Bridgestone Arena

Bridgestone Arena has partnered with CLEAR Health Pass to provide easy proof of COVID-related health insights. Complete your CLEAR Health Pass ahead of time for faster entry. To get started, download the CLEAR app and enroll for free at clear.app.link/Bridgestone-Arena-Attendee.

More information on CLEAR can be found here: bridgestonearena.com/bridgestone-arena-protocols

For the most efficient entry process possible, all ticket holders should sign up for CLEAR and complete their COVID-19 health screening before arriving at Bridgestone Arena.

Bridgestone Arena Face Mask Policy

Masks are recommended, but not mandated, for those 12 years of age and older at Bridgestone Arena.

All guests under 12 must either: (1) wear a mask at all times while inside the venue (except while eating or drinking) OR (2) present a printed or digital negative COVID-19 PCR or antigen test administered by a healthcare professional within 72 hours (Wednesday testing qualifies) prior to the event date.

The Centers for Disease Control and Prevention (CDC) recommends that everyone, including fully vaccinated people, wear masks in public indoor settings in areas with high or substantial COVID-19 transmission rates. Davidson County, the City of Nashville and many surrounding counties are included in the recommendation based on current COVID-19 transmission rates.

Hotels

If you booked your event hotel room directly through the event's official hotel block, you should contact the hotel directly if you have any questions about your reservation. Please feel free to reach out to representatives from our official event housing service at HOFHotel@maritz.com or by phone at (864) 342-6277 if you have general questions about your official hotel block reservation.

If you have an issue at your hotel in Nashville, don't panic, reach out to the hotel and give them an opportunity to fix it. The Nashville market is currently experiencing labor and staffing issues as they emerge from the pandemic, much like what is also happening many of our own home communities.

COVID-19 Entry Protocols at Bridgestone Arena

Effective October 2, 2021, Bridgestone Arena has mandated that all guests aged 12 and older will be required to either show proof of full COVID-19 vaccination or show a negative COVID-19 test administered within 72 hours (Wednesday testing qualifies) prior to the event. All guests will be required to comply with this Bridgestone Arena policy. Fans should be prepared to show photo ID at the point of entry, along with proof of negative test or proof of vaccination.

EVENT SCHEDULE

FRIDAY, OCT. 29

7ELEMENT Luncheon

The goal of the 7Element Luncheon in Nashville is to “leave something behind” when we depart from Nashville.

The 2021 U.S. Hockey Hall of Fame Game in Nashville is going to be a great event and it is going to be a ton of fun for all involved, but it needs to be more than that. 7Element is a perfect fit for our event and our fans. We want to leave something behind when we return to North Dakota and we’re proud to partner with 7Element to make sure that our fans have the opportunity to leave a lasting legacy in Nashville when we all head for home at the end of the weekend.

7Element’s mission is to provide a healthy mental outlet, a sense of purpose, and to close the civilian/military divide – all through the game of hockey. 7Element uses the power of sports to provide a place for members to feel as though they are needed and to provide a median to close the division between those who sacrifice for our communities, and the people who live in those communities.

The 7Element Athletic Fund and the veteran hockey program created in Nashville is a remarkable program. It is incredible to see how they are using the game of hockey to enrich lives and heal those who need a helping hand. NHL Game: Nashville Predators vs. New York Islanders

The Nashville Predators, featuring Rocco Grimaldi, are scheduled to square off with the New York Islanders, featuring Brock Nelson and Zach Parise, at Bridgestone Arena on Saturday, October 30 at 12:30 pm prior to the 2021 U.S. Hockey Hall of Fame Game. Those interested in purchasing single game ticket should visit nhl.com/predators/tickets/single-game-tickets. Single game tickets for the Predators game are subject to availability.

Official Pregame Party – Walk of Fame Park and Lower Broadway

Fans are invited to join us for the “Official Pregame Party” on game day outside Bridgestone Arena in Walk of Fame Park, located directly across the street from Bridgestone Arena and steps away from Lower Broadway, the home of Nashville’s legendary honky-tonks. Walk of Fame Park is located on the lawn of the Hilton Nashville Downtown and is home to the Music City Walk of Fame featuring in-laid granite stars honoring legendary figures in the music industry. The park is located between John Lewis Way and 4th Avenue South along Demonbreun Street in downtown Nashville.

The Pregame Party in Walk of Fame Park is a party area created specifically for the 2021 U.S. Hockey Hall of Fame Game. There is no cost to attend the Pregame Party and tickets are not required for admittance. The Pregame Party is an outdoor event and will proceed rain or shine.

The city of Nashville has a mandated capacity limit of 4,000 people in Walk of Fame Park, so the Pregame Party and the honky-tonks on Lower Broadway are both going to be used on Saturday afternoon as gathering spots for our fans during the Pregame Party period of time. For those who choose to go back and forth between the park and Nashville’s entertainment establishments, the options in “The District” are endless. We will not be allowed to have more than 4,000 people in the park at any point in time, so Lower Broadway will certainly provide a great overflow area for our fans. The combination of Walk of Fame Park and the indoor honky-tonks on Lower Broadway during the Pregame Party period provide great options, rain or shine!

The Pregame Party in Walk of Fame Park will feature music, food, drinks, and activities guaranteed to get everyone ready for the big game! The Pregame Party will begin at 1:00 pm and will end at 6:00 pm.

Official Nashville event merchandise will be available for sale at the Pregame Party in Walk of Fame Park.

There are no COVID-19 protocols for entry at the Official Pregame Party at this point in time. Should changes be required, these changes will be posted to theralph.com/nashville/event-news.
