FOR IMMEDIATE RELEASE:

NCHC FROZEN FACEOFF COVID-19 POLICY UPDATE

Ralph Engelstad Arena Mask and Social Distancing Policies Continue Through Event

GRAND FORKS, ND, March 9, 2021 – In response to yesterday’s news of Grand Forks County lifting its COVID-19 mask mandate, the 2021 National Collegiate Hockey Conference (NCHC) Frozen Faceoff event at Ralph Engelstad Arena (REA) will still require masks while continuing to maintain its current COVID-19 policies through the completion of the March 12-16 event.

“When the NCHC accepted our Frozen Faceoff bid, it was with the understanding that our mask policy and other COVID-19 policies would remain in place for the duration of the tournament,” said REA general manager Jody Hodgson. “We will honor the commitment made to NCHC member institutions, the fans, and our event staff. Therefore, in an effort to create a safe environment for all, our current COVID-19 policies will remain in place throughout the entirety of the upcoming Frozen Faceoff.”

REA COVID-19 policies can be found at theralph.com/covid. On-site parking will be free during the event. Single-game tickets are available and can be purchased at ticketmaster.com. Follow REA social media and visit theralph.com for event information and updates.
