

**October 11, 2019**  
**FOR IMMEDIATE RELEASE:**

**IMPORTANT INFORMATION REGARDING UND HOCKEY THIS WEEKEND**  
*Special Notices Regarding Parking, Transportation, Logistics and Tickets*

**GRAND FORKS, ND, October 11** – UND Hockey and the Ralph want everyone to be safe this weekend and encourage everyone to exercise caution as we open our 2019-20 season. UND, Canisius College, and the officials are all ready to go and the game will proceed this evening as scheduled with puck drop scheduled for 7:37 pm. If you can safely make it to the Ralph, we will have staff here to assist you, but again, please make the appropriate decision for you and your family.

The following event information is important for this evening's game:

- 1) Fan safety is our number one priority. Please confirm the driving conditions in your area prior to attending this evening's game. Today's heavy snow and wind are expected to create life threatening travel conditions this evening.
- 2) The parking lots at the Ralph will be open, but they will not be staffed nor monitored. All on-site parking at this evening's game will be available on a first-come-first-served basis. Champions Club members are advised to arrive early in order to try and secure the closest parking spots.
- 3) There will be no shuttle busses from the UND parking ramp this evening.
- 4) Shuttle busses from local restaurants and bars to the Ralph are going to be hit and miss. Please contact the specific bar or restaurant that you utilize directly to determine if they will run a bus this evening. For a complete list of private shuttle busses, visit [theralph.com](http://theralph.com).
- 5) The doors to the Ralph's Main Lobby are open right now and will remain open through the completion of the game tonight for early –arrivers. Gates to the concourse open at 6:30 pm.
- 6) The Ralph will have staff on-site to assist fans this evening, but some services or offerings may be impacted based on the event staff's inability to safely travel to the venue. Your patience and understanding would be greatly appreciated should modifications to the event plan be necessary.
- 7) Contact the ticket office at (701) 777-4689 if you have any questions about tickets for this evening's game.
- 8) If you do not already have tickets to this weekend's games, and can safely make your way to the Ralph and then safely back home again, come on out and we'll sell you an Upper Bowl ticket for \$10 to either game this weekend. This opportunity is extended to our loyal local fans given this weekend's weather event.

For those who can't safely make it to the Ralph, tonight's game can be seen on the Midco Sports Network or heard on the Home of Economy Radio Network. Visit [fightinghawks.com](http://fightinghawks.com) for complete broadcast information.
