

**RALPH ENGELSTAD™
ARENA**

College Assistance Program

to eligible part-time employees who are current college students. The College Assistance Program provides money to help pay for college and is super easy to use! Join our team and take advantage of this opportunity today!

We know that the cost of your education can make it challenging to earn a college degree. That's why Ralph Engelstad Arena offers a College Assistance Program

Why would a College student want to work at REA?

- Limited number of work days and limited number of hours to work with academic schedule
- Game times are early and allow you to still make the party post-game
- Very safe place to work and great opportunity to grow
- Fun and energetic team/work environment
- Tremendous discounts and bonuses on top of great pay
- Opportunity to have a part-time job and still have a memorable college experience

How does it work?

During the 2021-2022 season, any current ND/MN college student that works on a part-time basis at the Ralph Engelstad Arena complex (Ralph or Betty) is eligible to qualify for an end of semester bonus in each of the Fall and Spring semesters equal to \$2 per hour for every hour worked at REA during the semester - in addition to all of the other discounts, benefits, and compensation provided. The College Assistance Program is an additional bonus!

Is there a limit to the amount you could earn in the College Assistance Program?

Absolutely not. The more you work, the larger your bonus will be at the end of the semester.

Who is eligible?

Any part-time employee at REA who is also a current full-time college student attending a local college in ND or MN is eligible to participate in this program. This opportunity is available to both new and returning REA employees.

How does a student apply for the College Assistance Program?

The first thing you have to do is get hired to work at REA. Visit <http://www.theralph.com/workattheralph> to apply online today!

After you are hired to work at REA, you will apply and enter the College Assistance Program. You will then provide us with basic student information to allow us to confirm your active status as a college student and you're good to go!

Are members of the College Assistance Program also eligible for other employee benefits at REA?

Absolutely! Every part-time employee at REA is eligible for all of the benefits and discounts on the attached document. The College Assistance Program is above and beyond all other benefits and discounts offered.

Which employment hours are eligible for the College Assistance Program?

All hours worked at REA during the Fall 2021 and Spring 2022 semesters are eligible for this program. Hours worked during the summer months are not eligible for this program.
