

## Non-profit Group Fundraising

Ralph Engelstad Arena provides opportunities for non-profit groups to fundraise by working at UND Hockey games and other events as needed. This is a great opportunity for groups as we offer no risk fundraising to your groups. Your group doesn't need to go door to door selling pizza or popcorn etc. You don't have to find a parking lot and buy supplies for a carwash and not know how many cars will stop by. Just sign up to work hockey games and get paid a flat rate per person per game. No risk, just a time commitment. Below are the basic details.

Time Commitment: (Dates and Times may change)

### **Friday Hockey Games**

Check-in at 5:00pm. Shifts are 4-4.5 hours on average.

### **Saturday Hockey Games**

Check-in at 4:00pm. Shifts are 4-4.5 hours on average.

How much will your group make?

The more your group works, the more you make. Upon signing our simple 1 page contract, your group will need to commit to the games your group can work and how many people per game at a minimum.

- **Commit to 1-5 games \$40 per person per game**
- **Commit to 6-10 games \$50 per person per game**
- **Commit to 10 plus games \$60 per person per game**

**In addition, all people working an event receive 50% off food and can purchase \$1 bottled pop and water in the employee break area.**

What will our group do?

Your group will be assigned to one or more concessions locations depending on the staffing for that event. Some may run a cash register; others will "run" for food and bring to the cashier. Some may scoop and serve ice cream or build taco in a bag to order and other similar tasks. Will work with stand staff to set-up and tear-down and clean your location.

What to wear:

Black or khaki pants (no athletic type pants) and a shirt that represents your group. If your group doesn't have a shirt, pick a solid color such as green or black for the group to wear.
