

Ralph Engelstad Arena Policy for Halloween Costumes on Halloween Weekend – October 31 and November 1, 2025

To ensure a safe, welcoming, and enjoyable environment for all guests—while still allowing fans to celebrate the festive spirit of Halloween—the following costume guidelines will be in effect at Ralph Engelstad Arena:

Allowed Costumes

Guests are welcome to wear family-friendly costumes that meet these standards:

- Costumes must be appropriate for all ages and not offensive, graphic, or suggestive.
- Minimal face paint or makeup is permitted, as long as it does not conceal identity. Masks or full-face coverings are not allowed for security reasons.
- Small accessories (such as foam props, hats, or wigs) are acceptable if they do not pose a safety risk.
- Costumes must allow for normal movement and must not block aisles, seats, or walkways.

Prohibited Costumes

The following costume types and elements are not permitted:

- Costumes involving cultural appropriation, including traditional ethnic, religious, or cultural attire not of one's own culture.
- Sexually explicit, revealing, or suggestive attire, including lingerie, adult-themed costumes, or clothing with sexually explicit images, slogans, or gestures.
- Costumes that include offensive or insensitive themes or stereotypes related to race, gender, religion, nationality, disability, or sexual orientation.
- Realistic or replica weapons of any kind, including guns, knives, or other items that could be perceived as threatening.
- Gory, excessively scary, or violent costumes that could disturb other guests.
- Costumes featuring hateful, violent, controversial, or otherwise inappropriate themes.
- Full-face masks, head coverings, or helmets that obscure identity.
- Large props, inflatables, or oversized costumes that could obstruct walkways, aisles, exits, or emergency access routes, or interfere with sightlines of other guests.

Additional Information

- All costumes and accessories are subject to approval by arena staff and security screening upon entry.
- Staff may ask guests to modify or remove costume elements at any time if deemed unsafe, inappropriate, or noncompliant.
- Guests who refuse to comply with these guidelines may be denied entry and/or removed from the event without refund.
